

HEADQUARTERS SEVENTH ARMY
G-2 STRATEGIC SERVICES SECTION
APO 758 US ARMY

18 April 1945.

SUBJECT: Cable #277 Re DEDE.

TO : Lt. Jean Poniatowski, Station "P".

1. Presumably we did not frame our inquiry properly when asking you about antecedents and military status of agent DEDE.

2. What we are anxious to find out is his exact military status in the eyes of the French. This can best be obtained through reference to the file which was established for his mission through SRO and also the status which they have accorded him. In seeking an American decoration for DEDE [REDACTED] it is necessary to know his official military status from the French point of view. Can he be considered a member of the French military, and if so, state his rank? Is he an Adjutant-Chef in the Reserve or Active or what?

3. Your prompt advice would help us to expedite action on this recommendation.
